This traditional Inuit knowledge or Inuit Qaujimagatqangit is the voice of the land passed down through generations of Elders. If you open your mind and listen for this wisdom, you can connect with it and learn from it. Some of this knowledge has been captured in short sayings and words of wisdom included in this book. u003cbr /u003eu003cbr /u003e As a long time Northerner, Ron often feels that he is constantly chasing Inuit Qaujimagatqangit. At times, while out on the land, in moments of complete silence and reflection, your mind expands and the earth stands still. For some, they say, they can hear the voice of God. u003cbr /u003eu003cbr /u003e It is hoped that this book has captured some of this infinite beauty and will have you come to feel this deep, inner peace.
