## CITY UNSILENCED EBOOKS 2019

Author: Jeffrey Hou u0026 Sabine Knierbein

Release Date: Expected @@expectedReleaseDate@@

What do the recent urban resistance tactics around the world have in common? What are the roles of public space in these movements? What are the implications of urban resistance for the remaking of public space in the "age of shrinking democracy"? To what extent do these resistances move from anti- to alter-politics? u003cbr /u003eu003ciu003e

u003c/iu003eu003cbr /u003eu003ciu003eCity Unsilencedu003c/iu003e brings together a cross-disciplinary group of scholars and scholar-activists to examine the spaces, conditions, and processes in which neoliberal practices have profoundly impacted the everyday social, economic, and political life of citizens and communities around the globe. They explore the commonalities and specificities of urban resistance movements that respond to those impacts. They focus on how such movements make use of and transform the meanings and capacity of public space. They investigate their ramifications in the continued practices of renewing democracies. A broad collection of cases is presented and analyzed, including Movimento Passe Livre (Brazil), Google Bus Blockades San Francisco (USA), the Platform for Mortgage Affected People (PAH) (Spain), the Piqueteros Movement (Argentina), Umbrella Movement (Hong Kong), post-Occupy Gezi Park (Turkey), Sunflower Movement (Taiwan), Occupy Oakland (USA), Syntagma Square (Greece), Researchers for Fair Policing (New York), Urban Movement Congress (Poland), urban activism (Berlin), 1DMX (Mexico), Miyashita Park Tokyo (Japan), 15M Movement (Spain), and Train of Hope and protests against Academic Ball in Vienna (Austria). u003cbr /u003eu003cbr /u003eBy better understanding the processes and implications of the recent urban resistances, u003ciu003eCity Unsilencedu003c/iu003e contributes to the ongoing debates concerning the role and significance of public space in the practice of lived democracy.
