u003cbu003eTalkin' about my generation? It's the Porn Generation u003c/bu003eu003cbr /u003eu003cbr /u003elt's everywhere, from commercials to u003ciu003eNew York Timesu003c/iu003e best-sellers to college (and even younger) classrooms. In fact, pornography has become such a part of normal life in 21st century America that many teens and twenty-somethings have had no more important influence. They are the porn generation, where life's expectations come from Mouseketeer pop tarts, Victoria's Secret, internet titillation, and condom-flogging sex education. u003cbr /u003eu003cbr /u003eTom Wolfe's novel u003ciu003eCharlotte Simmonsu003c/iu003e told part of the story - but in u003ciu003ePorn Generationu003c/iu003e it's for real. Ben Shapiro speaks as a member of this generation, and the tale he has to tell is a shocking perspective on life in an age where moral relativism reigns on college campuses, oversexed narcissism rules the airwaves, and purity is the new sin. In u003ciu003ePorn Generationu003c/iu003e you'll learn: u003cbr /u003e

How porn producers see themselves as shaping and taking over Mainstreet U.S.A.

The real face of taxpayer-funded sex education: nine-year-olds learning about condoms; twelve-year-olds being questioned about their "sexual orientation"

The new collegiate do's (accepting "sexile") and don'ts ("dormcest")

How Hollywood and TV have mainstreamed pornography: why porn stars now turn up regularly on television and in glossy ads - and why celebrities imitate porn stars Mamas, don't let your daughters grow up to be co-eds: why on college campuses - and throughout the porn generation - sexual relationships are as disposable as used condoms

u003cbr /u003eIs there any good news? Yes. A lifestyle of playing pimps and hos - even if dressed up in preppie clothing - can only last so long before disease, despair, and depression set in - and many in the porn generation are beginning to wake up to their tragedy. Ben Shapiro closes u003ciu003ePorn Generationu003c/iu003e with a roundtable discussion that brings together the diverse perspectives of columnist and bestselling author Michelle Malkin, u003ciu003eDallas Morning Newsu003c/iu003e op-ed editor Rod Dreher, former Princeton chaplain Father C. J. McCloskey III, and columnist and best-selling author David Limbaugh to discuss how bad things have become and what the prospects are for bringing the porn generation back from the brink. u003ciu003ePorn Generationu003c/iu003e is the book that will define this generation - and provide a warning for generations to come.
