Author: Michael Savage

"I pray to God that we will one day return America to her glorious roots of freedom, faith, and family. Yes, this book is about the America that once was, and the America that could be again if you have the will to stand and fight against the Enemy Within." Michael Savage's powerful, unmatched mix of razorsharp wit and explosive sociopolitical commentary has made him into a cultural phenomenon, becoming not only one of America's most popular radio talk show hosts, but also a best selling author. And in this, his followup to the Savage Nation, Savage takes up where he left off, beating back the tentacles of today's everexpanding liberalism, which even now threatens to creep in, corrupt, and ultimately destroy our most cherished institutions.
