THE LAST MAGAZINE A NOVEL EBOOKS 2019

Author: Michael Hastings

Release Date: Expected @@expectedReleaseDate@@

A posthumous debut novel—wry, wise, and outrageous—from award-winning journalist Michael Hastings, based on his experiences working for Newsweek. The year is 2002. Weekly news magazines dominate the political agenda in New York and Washington. A young journalist named Michael M. Hastings is an intern at Magazine, wet behind the ears, the only one in the office who has actually read his coworkers' books. He will stop at nothing to turn his internship into a full-time position and has figured out just who to impress: Nishant Patel, the international editor, and Sanders Berman, managing editor—both vying for the job of editor-in-chief. While Berman and Nishant try to one-up each other pontificating on cable news, A. E. Peoria—the one reporter seemingly doing any work—is having a career crisis. He has just returned from Chad, where instead of reporting on the genocide, he was told by his editors to focus on mobile-phone outsourcing, as it's more relevant. Then suddenly, the United States invades Iraq—and all hell breaks loose. As Hastings loses his naïveté about the journalism game, he must choose where his loyalties lie: with the men at Magazine who can advance his career or with his friend in the field who is reporting the truth. The Last Magazine is the debut novel from Michael Hastings, discovered in his files after his death in June 2013. Based on Hastings' own experiences, it is funny, sharp, and fast-paced, a great book about the news game's final days in the tradition of Evelyn Waugh's Scoop, Hunter S. Thompson's The Rum Diary, and Calvin Trillin's Floater.

Great ebook you want to read is The Last Magazine A Novel Ebooks 2019 ebook any format. You can get any ebooks you wanted like KITTENPETCARE.COM in simple step and you can FREE Download it now.
