## THE MODERN DRAMA A POWERFUL DISSEMINATOR OF RADICAL THOUGHT UNABRIDGED EBOOKS 2019

Author: Emma Goldman

Release Date: Expected @@expectedReleaseDate@@

An essay included in Emma Goldman's 1910 collection *Anarchism and Other Essays*. This essay argues that the modern drama (live plays in theatres) can spread radical thought and disseminate new values. Each performance operates through the double channel of dramatist and interpreter. Affecting as it does both mind and heart, it is the strongest force in developing social discontent. Museum Audiobooks strives to present audiobook versions of authentic, unabridged historical texts from prior eras which contain a variety of points of view. The texts do not represent the views or opinions of Museum Audiobooks, and in certain cases may contain perspectives or language that is objectionable to the modern listener.
