In this revolutionary exposé, Harvard Law School bankruptcy expert Elizabeth Warren and financial consultant Amelia Tyagi show that today's middle-class parents are increasingly trapped by financial meltdowns. Astonishingly, sending mothers to work has made families more vulnerable to financial disaster than ever before. Today's two-income family earns 75% more money than its single-income counterpart of a generation ago, but has 25% less discretionary income to cover living costs. This is "the rare financial book that sidesteps accusations of individual wastefulness to focus on institutional changes," raved the u003ciu003eBoston Globeu003c/iu003e. u003cbr /u003eu003cbr /u003eWarren and Tyagi reveal how the ferocious bidding war for housing and education has silently engulfed America's suburbs, driving up the cost of keeping families in the middle class. The authors show why the usual remedies - child-support enforcement, subsidized daycare, and higher salaries for women - won't solve the problem. But as the u003ciu003eWall Street Journalu003c/iu003e observed, "The book is brimming with proposed solutions to the nail-biting anxiety that the middle class finds itself in: subsidized day care, school vouchers, new bank regulation, among other measures." From Senator Edward M. Kennedy to Dr. Phil to Bill Moyers, u003ciu003eThe Two-Income Trapu003c/iu003e has created a sensation among economists, politicians, and families - all those who care about America's middle-class crisis.
