THE WORLD AS IT IS A MEMOIR OF THE OBAMA WHITE HOUSE UNABRIDGED EBOOKS 2019

Author: Ben Rhodes

Realese Date: Expected @@expectedReleaseDate@@

u003cbu003eFrom one of Barack Obama's closest aides comes a revelatory behind-the-scenes account of his presidency—and how idealism can confront harsh reality and still survive—in the tradition of Arthur Schlesinger, Jr.'s u003ciu003eA Thousand Days: John F. Kennedy in the White Houseu003c/iu003e.u003c/bu003eu003cbr /u003e u003cbu003eu0026#xa0;u003c/bu003eu003cbr /u003e For nearly ten years, Ben Rhodes saw almost everything that happened at the center of the Obama administration—first as a speechwriter, then as deputy national security advisor, and finally as a multipurpose aide and close collaborator. He started every morning in the Oval Office with the President's Daily Briefing, traveled the world with Obama, and was at the center of some of the most consequential and controversial moments of the presidency. Now he tells the full story of his partnership—and, ultimately, friendship—with a man who also happened to be a historic president of the United States.u003cbr /u003e u0026#xa0;u003cbr /u003e Rhodes was not your typical presidential confidant, and this is not your typical White House memoir. Rendered in vivid, novelistic detail by someone who was a writer before he was a staffer, this is a rare look inside the most poignant, tense, and consequential moments of the Obama presidency—waiting out the bin Laden raid in the Situation Room, responding to the Arab Spring, reaching a nuclear agreement with Iran, leading secret negotiations with the Cuban government to normalize relations, and confronting the resurgence of nationalism and nativism that culminated in the election of Donald Trump.u003cbr /u003e u0026#xa0;u003cbr /u003e In u003ciu003eThe World as It Is,u003c/iu003e Rhodes shows what it was like to be there—from the early days of the Obama campaign to the final hours of the presidency.u0026#xa0;It is a story populated by such characters as Susan Rice, Samantha Power, Hillary Clinton, Bob Gates, and—above all—Barack Obama, who comes to life on the page in moments of great urgency and disarming intimacy. This is the most vivid portrayal yet of Obama's worldview and presidency, a chronicle of a political education by a writer of enormous talent, and an essential record of the forces that shaped the last decade.u003cbr /u003eu003cbr /u003eu003cbu003eRead by Mark Deakins. Prologue read by the author.u003c/bu003eu003cbr /u003eu003cbr /u003eu003cbu003eAdvance praise for u003ciu003eThe World as It Isu003cbr /u003eu003cbr /u003eu003c/iu003eu003c/bu003e"Ben Rhodes is one of the most brilliant minds and powerful storytellers I've ever known. In u003ciu003eThe World as It Is, u003c/iu003ehe doesn't just bring you inside the room for key moments of Obama's presidency, he captivates you with the journey of an idealistic young staffer who becomes the president's closest friend and advisor—a journey that both cynics and believers will find riveting and hopeful."u003cbu003e—Jon Favreauu003ciu003eu003cbr /u003eu003cbr /u003eu003c/iu003eu003c/bu003e
